Vehicle-mount wiht charging (active 12V) Pokini Tab A8, A8B

Safety and convenience combined.

Our active mount not only provides a reliable mounting solution but also features a convenient charging function. The input and output are galvanically isolated, ensuring enhanced safety, with an isolation voltage of 1500 VDC. Compatible with VESA 30x35, 75x75, and 100x100, the mount facilitates easy installation on various brackets. All interfaces are easily accessible, except for the docking port. Specifically designed for Pokini Tab A8 and A8B models, the mount offers an optimal fit.
