Seal Shield™ Silver Storm™ STM042

schwarz, USB

waterproof - antimicrobial - dishwasher-safe

The Silver Storm PC mouse offers excellent input comfort with high resistance to liquids and impurities. The device is a 3-button version, which is both completely waterproof and has antimicrobial properties.

The antimicrobial effect of Silver SEAL products is based on the addition of a nano substance to the plastic. This contains silver ions that destroy the cell nucleus of the bacteria and inhibit their growth.

Besides the new PC mouse we also offer the current model of a waterproof and antimicrobial keyboard of the SEAL SHIELD series.

Technical data

Mouse

manufacturer	Seal Shield™
model	STM042
interface	USB 2.0
color	black
technology	optical
number of buttons	3
scroll wheel	yes
connection	corded
resolution	1,000 dpi
cable's length	1,83 m
splash-proof	yes
protection class	IP 68
disinfectable	yes
antibacterial	yes
