Vehicle Dock Zebra XPAD/ XSLATE L10

The L10 Vehicle Dock protects and secures the XBOOK L10 2-in-1 laptop / tablet, XSLATE L10 slate tablet, and XPAD tablet with a fixed carry handle (hard-handle) during severe shock and vibration. This rugged, lightweight vehicle mount also withstands the bumps and curves of the road while keeping the tablet stable for navigation. Once workers reach their destination, the "grab and go" design allows for quick, one-handed unlocking of the tablet from the dock.
