Vehicle Mount (activ) Pokini Tab K6B

Always secure, always with you.

Our active car mount for the Pokini Tab K6B provides a reliable and secure solution for holding your tablet while driving. With the included cigarette lighter plug, you can conveniently charge your tablet in the vehicle. The mounting hardware, comprising four screws and a mounting plate, facilitates easy and quick installation of the holder in your car. Keep your tablet readily accessible and securely mounted while on the move.
