Spare Battery (36 Whr) Zebra XPAD/ XSLATE L10

Never be without electricity when you need it most. An additional battery is the perfect companion when working in the field. This hot-swappable battery (hot-swappable) can be recharged in the rugged tablet or battery charging bay of the L10 docking station. The practical display of the battery eliminates the need to estimate the available battery life. Thanks to the tablet's hot-swappable battery, you can continue your work without shutting down the system.
