Office Dock with battery charger Zebra XPAD/ XSLATE L10

Even mobile workers have to be in the office at some point. The Office Dock makes it easy to turn your Xplore L10 Rugged Tablet into a complete desktop with HDMI or VGA video connections, including dual monitor support, 2x USB 3.0 ports, 2x USB 2.0 ports, headphones, microphone and Gigabit Ethernet. Charge a spare battery in the charging bay while charging the internal battery or the optional second battery. The tablet can be fixed to the dock and the dock can be mounted to the desk. Compatible with all L10 models.
