# Vehicle Dock Zebra ET80/ET85

Flexible and robust - the vehicle mount for every application.

Our vehicle mount for the Zebra ET80/ET85 provides a comprehensive solution for vehicle installations. Its simple single-hand release allows for quick transitions between vehicle, field, and office. With extensive interface options and VESA compatibility, it offers versatility. Protected to IP65 against water and dust ingress, it ensures durability. Many components are available separately for on-site customization. A cylinder lock provides additional security.
