# Zebra TC21

## 32GB, 3GB, SE4710, NFC, FFC, 2-Pin, Android 10

Boosting Efficiency, Enhancing Connectivity.

The Zebra TC21 Mobile Computer offers a cost-effective touch solution for businesses within the four walls. Equipped with the Qualcomm SD660 chipset, it simplifies device support and management. Android 11 ensures future-proofing, while pre-installed Mobility DNA Professional solutions enhance efficiency. Optional Push-to-Talk features enable instant communication, and an extensive accessory ecosystem provides flexible power options. The TC21 maximizes productivity and versatility with minimal effort.

### Technical data
