Seal Shield™ Seal Storm™ STM042W

schwarz, cordless

waterproof - antimicrobial - dishwasher-safe

The Seal Shield Silver Storm offers excellent input comfort with high resistance to liquids and contaminants. It is 100% waterproof and dishwasher safe, IP68 certified (highest level) and is compatible with medical cleaning agents and disinfectants.

The device is a 3-button version that also has an antimicrobial property. The antimicrobial effect of Silver SEAL products is based on the addition of a nano-substance to the plastic. This contains silver ions that destroy the cell nucleus of bacteria and inhibit their growth. The special design withstands constant and regular cleaning and prevents deposits of dust and harmful pathogens in hard-to-reach crevices.

Technical data

Mouse

manufacturer	Seal Shield™
model	STM042WE
interface	USB 2.0
color	black
technology	optical (LED)
number of buttons	3
scroll wheel	yes
connection	wireless, 2,4 GHz RF Wireless (Dongle Receiver USB)
scanning	LED
resolution	1,000 dpi
cable's length	1,83 m
splash-proof	yes
protection class	IP 68
disinfectable	yes
antibacterial	yes
dishwasher-safe	yes
hint	for all commercial dishwashers up to 60°C (heat drying must be deactivated)
operating temperature	-15°C to 60°C
material	ABS plastic
dimensions (WxHxD)	59,6 x 117 x 36,2 mm
weight	80 g
scope of supply	Mouse, Base and USB-Dongle
guarantee	2 years Bring-In

Highlights

- With integrated rechargeable battery (without batteries)
- 100% waterproof and dustproof (IP68, NEMA 4X)
- dishwasher safe (for all standard dishwashers up to 60°C)
- plastic housing with antimicrobial surface
- disinfectable
- protection of electronics by silicone coating
- ergonomic operating comfort of a conventional PC mouse
- most modern 2.4 GHz radio technology for very high range
- AES128 encryption
- USB connection plug and play
