exone go Premico 1580 X12

i7-1260P

Chic. Light. Fast.

High-quality, modern, noble, flat, handy and light is the motto of this new series. Start your professional life with this notebook in a modern metal case and let it accompany you in meetings, trainings or tasks of everyday office life. Thanks to a display bezel reduced to 6.6 mm and thus particularly narrow, you get a full 15.6" display diagonal - in a compact case that almost corresponds to the dimensions of a 14" notebook. This makes the exone® go Business 1580 the perfect companion for the mobile workday with little luggage and full performance.

However, the exone® go Business 1580 does not only shine with its exterior, the interior can also convince. Thanks to a chiclet keyboard incl. key illumination, this notebook is ideal for frequent typists. Thanks to the Thunderbolt™ 4 (Type-C™) combo interface, you can transfer large files at more than twice the speed of USB 3.2 with a fast data transfer rate of 40 Gbit/s, saving you valuable time. The notebook is also predestined for non-mobile use at your workplace or home office. It can be connected to a docking station with just one cable. It not only offers the possibility of image reproduction, but also a 100 W power supply via Thunderbolt™ 4 interface and with a matching docking station.

Technical data

installed operating system	no operating system included
installed memory	8 GB DDR4
hard disk	500 GB SSD M.2 PCIe®x4 NVMe®
processor	New List Value
hint	New List Value
display	15.6" (39.6 cm) anti-glare Full HD LED-backlit display
max. resolution panel	1,920 x 1,080 pixels (FHD)
aspect ratio	16:9 -Format
display technology	IPS WVA
working memory max.	2x SO-DIMM DDR4 PC3200, max. 64 GB (supports Dual Channel memory architecture)
optical disc drive	optional (external optical drive)
network	10/100/1000 Mbps
PXE support	yes
WLAN	Intel® Dual Band Wi-Fi 6 AX201, 802.11 ax
Note for wifi usage	The range from 5150 MHz to 5350 MHz of the 5 GHz WLAN band is for indoor use only.
mobile broadband	no
bluetooth	integrated
bluetooth standard	5.0
audio	Realtek ALC 293 High Definition Audio
web camera	New List Value
speakers	2 integrated speakers
interfaces	1x Thunderbolt™ 4 (Type-C™), 1x USB 3.2 Gen2 (10Gbit/s) Type-C™, 1x USB 3.2 Gen2 (10Gbit/s), 1x USB 2.0, HDMI, LAN, Audio, DC-In
max. resolution Thunderbolt™ 4	New List Value

Highlights

- high-quality notebook in modern design, with slim frame and metal case
- brilliantly sharp 15-inch Full HD display - anti-reflective and with LED backlighting
- especially narrow display bezel - only 6.6 mm wide.
- more than twice as fast data transfer rate as with USB 3.2 (10Gbit/s) - 40 Gbit/s thanks to Thunderbolt™ 4 interface
- super light - only 1.74 kg
- 4-sided nearly frameless design
- can be connected to a docking station with only one cable - 100 W power supply as well as image playback thanks to Thunderbolt™ 4 interface
