exone AIO 23,8" Non-Touch X11

i5-11400T W11Pro

The slim & comfortable business AIO

Increase your productivity with the new exone® AIO X11 series:

Very chic, frameless and space-saving design with high-performance features.

The exone® AIO combines elegant design and ultra-high comfort - IPS panel with a matte and glare-free surface for optimal viewing comfort. In addition, the exone® AIO offers the highest user-friendliness for the user. Height adjustable, rotatable and tiltable and the frameless display can be rotated by 90° with the pivot function (separate stand required). In addition to its multifunctionality, the exone® AIO also shines with powerful features: high-performance Intel Core Desktop CPU of the eleventh generation, fast SSD and WLAN and additional HDMI interface.

Perfect your everyday business life now.
