DURABOOK S14I

i5, 8GB, 256GB, W11 Pro

One step better than semi-rugged

The all-new Durabook S14I offers the latest 11th generation Intel® processors, industry-leading drop resistance (1.2 m) and IP53 rating - redefining semi-ruggedness. The S14I is a specialist for all occasions: robust to military specifications, practical features, outstanding computing power and a long-lasting battery for continuous use; even in places where heavy rain and plenty of dust are part of everyday life. For workers in today's challenging and dynamically changing world of work, the S14I is truly in a class of its own.
